

2025 TAT Masters

Final seedings

Highest qualifiers from each squad earn one of the top four seeds and are guaranteed a spot in the double-elimination match-play finals.

Seeds 5-16 may have to bowl play-in matches to reach the double-elimination bracket, depending on how many bowlers qualify.

Positions 17 and higher do not advance to match play, but do cash for \$300.

Match play begins at 12 Noon Sunday with play-in matches if necessary, immediately followed by double-elimination matches.
